This page highlights upcoming events and programs. For a full listing, please go to the "[upcoming events](#)" page listed on the left hand sidebar

NWONE Clinical Summits

Clinical Summits are planned by the NWONE Practice Commission and held intermittently during the year. They are normally a focused one day program with expert local and national speakers and built in time for dialogue with the attendees on the defined topic. If you have ideas for a clinical summit please contact Gladys Campbell, chief executive officer, NWONE and chief nurse executive and senior leader for clinical strategy, WSHA at gladysc@wsha.org
